BEST

That England Can Produce

Are None Too Swift For Simms.

Art Simms is after the best that England has produced. He has issued a challenge to Ben Jordan, the acknowledged champion at his weight. All of the English lightweights have heard of Simms and they seem to have a most ardent desire to dodge him. He has tried to get on with several, but every match has fallen through. Referring to Simms' visit to England, Charles P. Mathison, of the New York Telegraph, says:

"Art Simms, the clever lightweight of Akron, O., who is now in England, seems to experience much trouble in getting a match. He recently challenged Will Curley, the conqueror of Sammy Kelly, but not having received a reply, is now prepared to box Ben Jordan at nine stone for £500 a side, and the National Sporting club purse; or will box Tim Hagerty (the nine stone champion of Australia), for from £200 up to £500 a side. It is questionable if Simms would be strong at 125 pounds, but any one he meets at 130 would be reasonably sure of a thrashing."

INDIVIDUAL TOURNAMENT. The Individual Bowling tournament, which will begin next week promises to be one of the liveliest events of the kind held in Akron in years.

Every club in the city will have one or more representatives. The entries are being received at both Cohen's and the Grand. Half of the games will be rolled on the Howard st. alleys and the balance at the Grand.

Charles P. Fain, who has won the individual tournaments for the past two years will be one of the contestants. He is a member of the Kirkwoods and as all the other clubs are anxious to win laurels from that organization there will be a hot fight to down the present champion.

COHEN'S A COMER. Frank Cohen, proprietor of the Howard st. billiard parlors, is rapidly developing into one of the best pool players in Northern Ohio. He has taken part in a number of tournaments recently and in each he has given a good account of himself. Thursday night he met Lew Laubscher, of Cleveland, who has the reputation of being one of the best cue experts in Northern Ohio. He proved to be an easy mark for the Akron man, who pocketed 102 balls while Laubscher was getting 42. Both men made a number of remarkable shots. In one frame Cohen made three successive banks, one of which was a cushion first bank on a difficult combination. He was loudly applauded. Following the game Laubscher gave an exhibition of fancy shots. In this he cannot be beaten.

WHITE BEARS COMING. The White Bears, of Canton, will invade this city next Tuesday night, when they will play a return game with the Akrons on the Grand alleys. The last time these teams played the White Bears were victorious.

FINAL MEETING. The Board of Directors of the City League will meet tonight at the Grand to wind up the business of that organization. The prizes will be given to the winners of the tournament, which was recently finished. The meeting will begin promptly at 7:30 o'clock.

POOL TOURNAMENT. In the Class A handicap at the Grand Thursday evening, Hard was defeated by Hall. Hard was to have played 125 to Hall's 35. The last named completed his string while Hard was making 98. Tonight in-skeep and Hall will play.

ANOTHER GUESS COMING. The Guess club was defeated three straight on Berrodin's alleys Thursday evening by the Quintettes. The scores were: Quintettes—627, 713, 702. Guesses—586, 542, 643. Tonight the Buckeyes and Crowns will bowl.

SOCIAL SESSION. The Brunswick held a social session at the Brunswick restaurant Thursday evening.

WILL REVIVE BOXING. It is said that boxing will be revived in Chicago. The men interested in the game say that they had assurances that licenses would be issued provided Harrison was elected.

McCOY'S MATCHES. Charles "Kid" McCoy has left New York for Saratoga where he will prepare himself for the proposed match between himself and Peter Maher. He says that if Maher does not meet him he will go after either Sharkey or Jeffries.

PLANETS' SMOKER. The Planet Athletic club held a successful smoker in its rooms on East Mill st., Thursday evening. The program consisted of four round sparring matches between Adams and Uhl, Timm and Klenz, Bittner and Volk, and Bertsch and Bowers. Alf Kimpflin refereed the bouts. No decisions were given. Thomas Llewellyn and B. Lehman engaged in a wrestling the former winning two out of three falls. Bag punching by Wm. Dice and horizontal bar work by Geo. Volk, completed the athletic program. Guitar and mandolin selections by Osborne and Baughman were well received. The program having been carried out the remainder of the evening was spent in playing cards and pool, and in having a good social time. Another entertainment of this kind will be held in the near future. The Planet Athletic club is issuing
